approve was made and seconded. CoD voted to approve the

students and provide the information to the Student Health Clinic. A letter from Dr. Pastor will go out to the campus today.

7) S. Runge provided the Council with a draft for changes to the International Admissions standards. These changes were triggered by rule changes at the federal level and the campus needs to be in compliance by fall, 2017. Jane Ann Williams will elaborate on the admission standards when she presents at the February 1, 2017 CoD meeting.

8) S. Runge passed out an Oregon State University Pathways Program for International Students document. This provides an example of the steps that the student may take in the pathway to gain full admission. UCA will need to develop a similar program with the potential involvement of every academic college. The Council will revisit the Pathways Program discussion when Jane Ann Williams presents at the February 1, 2017 meeting. This topic will also be discussed next week with Ms. Williams.

9) S. Runge provided a handout to the Council membe[illegible] Makerspace. EPIC is moving to the College of Business next year but will be maintained as an interdisciplinary program. The handout provides a good example for ways that we can enhance our EPIC program that is already in place. This would be a great [illegible]
