

Competencies for a Career-Ready Workforce

Career & Self Development

Students will be able to identify and describe the various career paths available to them, and the skills and knowledge required for each. They will be able to evaluate their own strengths and weaknesses, and identify areas for improvement. They will be able to set career goals and develop a plan to achieve them.

Communication

Students will be able to communicate effectively in a variety of contexts, including written, oral, and digital. They will be able to listen actively, speak clearly, and write effectively. They will be able to collaborate with others and resolve conflicts.
